**Roots:** Role of in soil building, 83/5:50

Readers sometimes ask what numbers like "84/1:144" mean.

The digits represent the volume, issue number, and page. We have one volume and six issues per year.

So 84/1:144 means volume 84 (for the year 2000), issue number 1 (January/February), and page 144.

**Sausage:** 18-page special feature covering nitrites, casings, recipes, etc., 83/5:71; Venison, 83/6:72; 73;
